Camping Equipment

You will need to bring suitable camping / sleeping equipment for the time of year. We are able to hire out equipment once a deposit has been paid.

A recommended kit list will be sent out once a booking is confirmed.

Personal Equipment

All equipment needed to partake in the course is provided. A recommended personal kit list will be sent out once a booking is confirmed.

Medical Conditions

Due to the outdoor / active nature of our courses, clients are strongly advised to check with your medical consultant regarding any potential health issues you may have. If you require more information, please enquire before booking.

*Catering

All food and drinks are included in the price. We will need to know any allergies or dietary requirements at least 2 weeks before your booked course.

Sharp Tools Policy

We ask clients not to bring heavy cutting tools such as axes, machetes, parangs - all equipment is provided. If you wish to bring your own knife then please ensure you abide by UK Law.

Legal Requirement

All participants will be required to confirm that they are not prohibited, under any law, from taking part in the activities contained within our courses. If you require more information, please enquire before booking.
